bookslibland.net - Antifragile: Things That Gain From Disorder is a book by Nassim Nicholas Taleb published on November 27, 2012, by Random House in the United States and Penguin in the United Kingdom. Antifragile - Wikipedia - Taleb contends that by suppressing volatility and randomness, we have â€˜fragilizedâ€™ almost our entire environment, from education to health to the economy. In his view, the innovation and discovery process requires antifragile thinking, which is largely more influenced by the capacity to assume risk than by formal education.
